

Number Lines

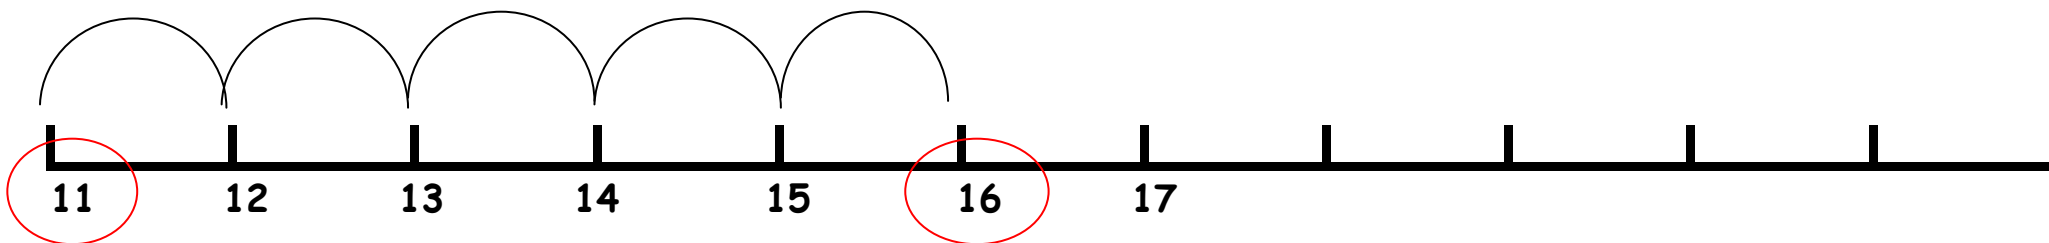

We can use a variety of number squares, beads and lines to help us count on. Remember when you add the quantity gets higher.

Number Lines

Our number lines don't always have to start at zero. E.g. $11 + 5 =$

Start at number 11 and jump on 5. $11 + 5 = 16$

Can you try some of your own.

$$12 + 9 =$$

$$13 + 6 =$$

$$12 + 4 =$$

$$19 + 0 =$$

$$9 + 9 =$$

$$7 + 13 =$$
