

Arrays

Arrays are pictures that help us see numbers. Multiplication calculations are shown with dots and arranged into rows and columns.

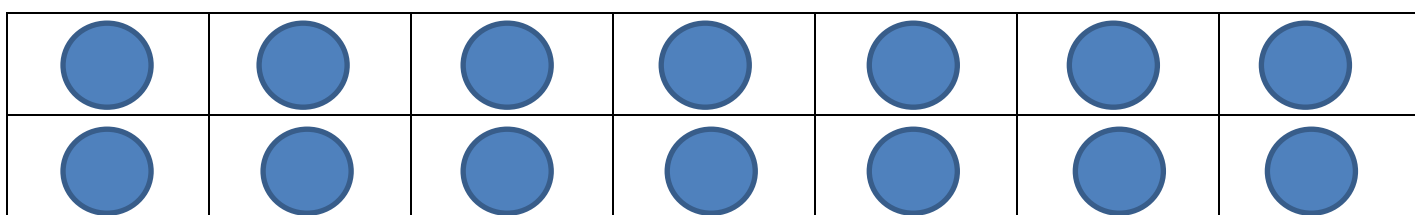

$2 \times 5 = 2$ rows with 5 in each row.

$5 \times 2 =$ will also have the same answer

Add up all the dots and you have your answer $2 \times 5 = 10$

$2 \times 7 = 14$

Can you create some of your own arrays?

$2 \times 3 =$

$2 \times 6 =$

$2 \times 9 =$

$2 \times 4 =$
