

Poster Writing Success Criteria

Create a poster to advertise and persuade people to visit your chosen castle. Make it really eye catching and bright and tell the reader all the amazing things they will see when they visit. Keep your writing short - try not to have big long sentences. A poster is brief and uses labels and pictures to persuade. Please include the following in your poster.

I can include the following in my poster;	me	adult
Title		
Pictures		
Labels		
Bright, bold and eye catching lay out.		
Short, snappy statements about your chosen castle - from your mind map.
