

Supported Study

Supported Study details will be released at key points in the year and staff are always available to help pupils at all stages in the school year. Details of supported study are released in a separate publication.

Family Learning

Loudoun Academy look forward to releasing details of family learning programmes and clubs to commence later this year. These will be held both during and after the school day.

Duke Of Edinburgh Award

The school has a thriving Duke of Edinburgh programme stretching from Bronze to Gold Awards. Please call us at the school if you wish further details on how your child may become involved.

Volunteers/ Other Clubs

We are very proud of the range of clubs on offer and hope that your child is able to get involved in one or more clubs in school. If there is a club not on offer, please ring the school and we will do our very best to accommodate your request. In addition, please keep us informed of any successes or involvement that your child has with clubs outside of school and let us join you in celebrating achievements, awards and goals! Our twitter feed regularly features pupils achieving amazing things outside of school too.

If you wish to get involved with any of our clubs or family learning programmes, please call school and we will discuss this with you.

THANK YOU !
