

LOUDOUN ACADEMY

-----SUPPORTING YOUR SQA EXAMS 2017-----

Dear Pupil/Parent/Carer,

At this key stage in preparing for the forthcoming SQA examinations, we would like to ensure that you are fully informed of available supports and resources to help secure the best possible results. This booklet contains key information regarding study leave, Supported Study, Easter School and Masterclasses that will assist greatly in study.

STUDY LEAVE

All pupils from S4-S6 will have their last day in school on **Friday 28th April**, and will return on **Monday 5th June**. There are a range of masterclasses on offer during this period which pupils have the opportunity to participate in, please see below. The library will also be open throughout this period to allow pupils to study if required.

SUPPORTED STUDY

Our final supported study block will run at the end of March (13th – 31st). This will give pupils an ideal opportunity to access additional support at a crucial time in terms of exam/assignment preparation.

EASTER SCHOOL

Details of Easter School classes are highlighted in this inside of this booklet. This is an ideal opportunity for pupils to participate in additional study classes gaining momentum heading towards the final exam. There will be no catering facilities available to pupils during Easter School, therefore if pupils are attending full day sessions, they should bring a packed lunch. Morning sessions run from 08.50 – 11.50 and afternoon sessions from 12.40 – 3.40.

MASTERCLASSES

During study leave, we offer a huge range of masterclasses designed to support the revision process at key stages in the SQA timetable. These classes are highly recommended as very effective preparation for the final exam. Classes are generally scheduled in the days leading up to final examinations in order to keep knowledge as fresh as possible. Please note, pupils must wear school uniform when attending masterclasses.

ADDITIONAL SUPPORT

- Every pupil in the school has a SCHOLAR account. This is a superb website which can be used for study and revision - <http://scholar.hw.ac.uk/>
- The school library is open lunch time and after school each day. Pupils are also welcome to use this during study leave for private study.
- Past Papers, SQA exam timetable and other supports are available on the SQA website - <http://www.sqa.org.uk/>
- Support materials are available on our school GLOW website - <https://blogs.glowscotland.org.uk/ea/loudounacademy2016/>
- Use the free Study Ninja website or app to build a personalised study plan - <http://www.study-ninja.com/>
- There are a huge range of supported study sessions running at lunch times in the lead up to exams. Please speak with your teachers for details.

May we take this opportunity to wish you all the very best for the forthcoming examination diet.
