

Buddy Bench Design Competition

We have two new Buddy Benches in the playground. The Buddy Benches are in the playground so that anyone who is feeling lonely or has no one to play with has a place to go. If you are sitting on the Buddy Bench others can go over to you, say hi and ask if you want to play.

The Inclusive Schools Committee wants everyone in our school to feel safe, respected, included and happy. We are looking for designs for the new Buddy Benches to reflect these ideas.

If you would like to enter the competition, please use the template below to show your design. All entries must be submitted to Miss Kirkcaldy and the Inclusive Schools Committee by **Wednesday 8th December**. The winning designs will be painted on the Buddy Benches; some colours may be changed due to availability of paint.
