

## Task from Mission Control: Week 8 – week 12

We would like to invite all of our active travel crews to participate in a 4 week challenge!

I chose active travel for Journey to Jupiter

**JOURNEY TO JUPITER!**

Calling all families, friends and community members.  
We need your help!

Did you make an active journey rather than taking the car on an evening, weekend or during a school holiday?

Your active journey can help us earn Bonus S-Miles for our school! Please scan the QR Code or click on the link and tell us about it!

Here's how you can get involved:

Share our 'I chose active travel for Journey to Jupiter' QRCode/link with your parents/carers and encourage everyone to get involved in earning S-miles!

Your mission is to have **5 active journeys** logged by your parents/carers between week 8 and week 12.

Mission Control will only reveal the number of supporters you have managed to reach in the end of week 12 update.

Boost S-miles will be awarded to each successful crew!

Good luck team #JtJ!
