

Primary 1 Homework – week beginning 26/09/23

Phonics

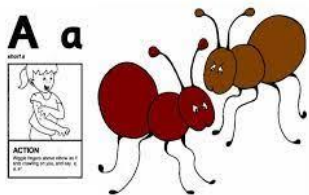

We have been participating in lots of rhyming activities to develop our phonological awareness. We have started learning our first set of phonemes. Click on the links for some short videos about the phonemes we have been learning.

Numeracy

We have been building our confidence with counting items.

There are some games on Topmarks to consolidate counting. You can also practise counting objects at home. Choose some games to play on the booklet of QR codes. If you did not receive this at the open afternoon, please let us know.

We have practised writing and learning about numbers from 0-6.

Health and Wellbeing

We have been learning about what it means to be happy. Have a chat at home about things that make you feel happy. Playing with our toys, going to parties or the soft play are some ideas that make people feel happy.

We have been learning all about Minibeasts! We will now be moving on to Autumn – what signs of Autumn can you see?

Primary 1 Homework – week beginning 26/09/23

T t

This week we will be learning all about letter 'i' e.g., ink, igloo, it, sit.

Reading

Please practise your yellow reading words. Spend some time reading for enjoyment at home.
