

## Dads Programme - Supplementary Information

Joint programme [being developed](#) between SL33 (Parental Employability Support Fund), Health and Social Care Partnership and Scottish Fire and Rescue Service

- This programme is a targeted intervention for parents (Dad's) to boost their confidence, gain skills and access opportunities to make the next steps into employment.
- Parents must be able to commit to the 2 sessions with Scottish Fire and Rescue Service where they will learn a number of useful team building skills and gain Emergency First Aid.
- Information session along with staff from the Health & Social Care partnership, to give East Ayrshire Dads the opportunity to be involved in developing the programme by discussing the types of things they would like to see in a programme aimed at promoting positive relationships with their child/children.

### Eligibility criteria

- Must be East Ayrshire resident and at least one of the following:
- Lone parent
- Parent under 25
- Parent whose youngest child is under 1
- Parent with 3 or more kids
- Parent of an ethnic minority
- Parent with a disability or whose child has a disability
