

October 2022 Newsletter Update

Science Centre

We had our first whole school trip to the science centre on Wednesday. Our children and staff thoroughly enjoyed the day. It was an absolute delight to see the children taking part in the activities and being engrossed by the Planetarium. We can't wait to plan our next whole school trip. Please look at our blog over the coming days for photographs from this.

The trip in total cost over £1000, thank you for your generous donations to support this we have received over £400 towards the total cost. If you still wish to make a donation this is available through ParentPay.

Staffing

As you are aware the Depute post within the school was recently advertised. The interviews for this took place at the end of September. Mrs McGahon, previous Principal Teacher at Mount Carmel was the successful candidate. She will hopefully take on this new role after the October holiday.

Both Mrs McCreadie and Mrs Crawford have been superb in their roles as Acting Depute Head and I will never be able to thank them enough for all of the personal and professional support they have provided since April.

Mrs McGregor has been teaching at Mount Carmel since April, with the other staff changes she will now move to a new school. Mrs McGregor has been an excellent member of the team and will be missed. We wish her the very best in her new school.

Class Structure – Term 2

Primary 1 – Mrs Duff and Mrs Strachan

Primary 2 – Miss Maitland and Mrs McGahon

Primary 3 – Mrs Travers

Primary 4 – Mrs Mackinnon and Mrs McIntyre

Primary 5 – Mrs McCreadie
