Classroom Environment

Classroom environment is set up with Nurture Principles and CIRCLE framework in mind.

- Cosy/Calm corner – allow self-regulation time (high-traffic area as well as quiet, low-stimulus area). Areas include soft furnishings, books, sensory items and fidget toys
- Visual aids to help children express feelings e.g. check in emotions chart on wall and in trays
- Resources are appropriate and clearly labelled
- Choice of seating and workspaces
- Consistent and predictable routines
- Visual timetable and transition cues (transition objects to reduce stress – now and next boards, timer)
- Responsibility for looking after classroom is promoted through our class charter and group leader and class helper roles
- Positive reinforcement using group marbles and our house points systems

Our Class Charter

- Primary 2 have already created a class charter
- They considered their rights when creating their charter:
 - The right to play (article 31)
 - The right to education (article 28)
 - The right to be safe (article 19)
- Classroom rules which all pupils are working hard to adhere to are linked to the class charter
- Primary 2 chose a “toy story” theme for the class charter

“You’ve got a friend in me”

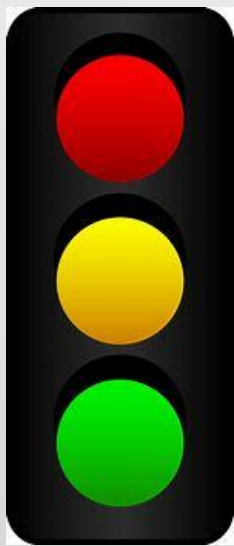

UNCRC

- We are a Rights Respecting School (RRS)
- Bronze Award achieved and we are now working toward our Silver award.
- Framework to embed RRS principles to create an environment which supports and develops children into responsible, active citizens
- Children more aware of their Rights and how they impact on them and others
- Activities at assemblies and through class lessons – Article of the Month, Celebration Days etc...
- Used in conjunction with Rainbow Reward

Class Expectations

Rainbow Reward

- Reward play is free play which takes place on a Wednesday and Friday (20-30 minutes each session)
- We use a traffic light system
- The children have 3 opportunities to correct low level interruptions before being moved from green to amber
- They then have a further 3 opportunities to correct behaviour before being moved to red
- If moved to red, children will lose a portion of their reward play
- If this becomes a daily occurrence, children will lose all reward play
- No hitting tolerance, if children hit, they go straight to red.
- Cookie Jar Reward
Throughout the week, the class can work together to fill our Cookie Jar by showing positive behaviours. If we fill the Cookie Jar by the end of the week, the class will earn an extra special reward!
