If you require your log in details, please get in touch with the office. These will be sent to the email address that you have given to the school.

All meals will be ordered by parents through ParentPay, using your existing Parentpay login.

The system will be easy to use. You will log in to ParentPay and select school meals. Then all you have to do is check the menus, select a meal for your child, then they collect it at lunchtime as normal.

ParentPay knows if your child qualifies for a free school meal so you can order with the knowledge that no payment is required. If your child pays for their school meal, you will have to make payment within 2 hours of the meal being ordered.

Meals must be ordered by 8am and can be ordered up to three weeks in advance.

OUR VISION, VALUES AND AIMS

LITERACY

Pupils complete daily Active Reading tasks. Focus this year will be on answering comprehension questions using evidence from a text. For some groups Bug Club will be used mainly for homework this year.

Active Listening is a skill P7 will need as the move to S1. Active Listening is about paying full attention, understanding and responding thoughtfully. P7 will also take part in solo talks and debates.

Spelling words will be introduced on a Monday. Pupils will complete daily spelling tasks. These will take the form of phonemes, common/tricky words or topic specific words.

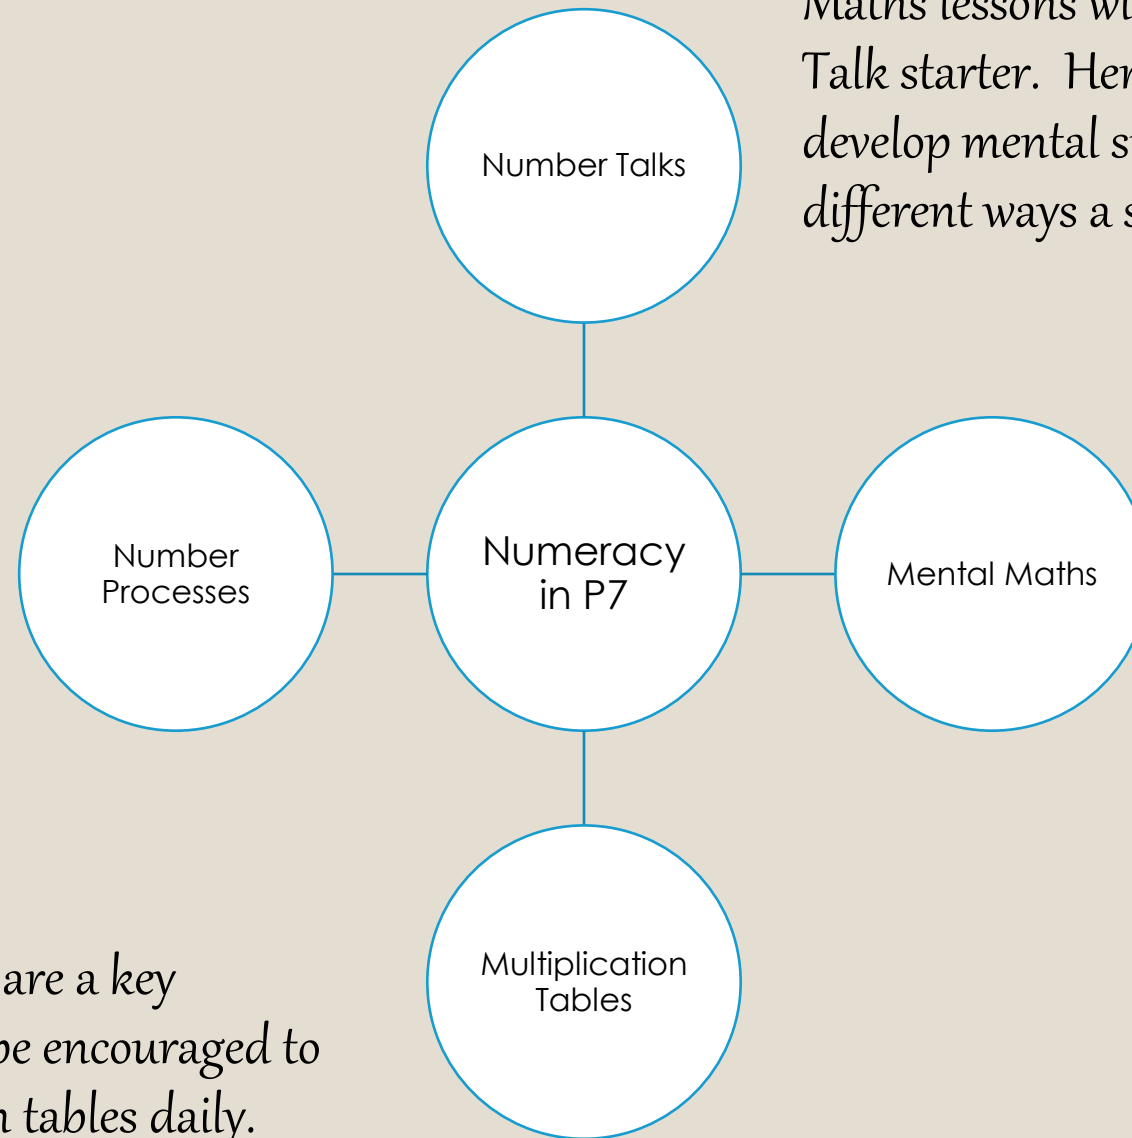

Primary 7 will 'chunk the challenge' with writing this year. Each day pupils will take part in a writing activity e.g. Day 1 – Plan and Discuss, Day 2 – Model and Short burst of writing, Day 3 – first draft, Day 4 – Assess and Evaluate. Primary 7 will have two handwriting lessons per week.

NUMERACY

Mrs Terras will teach the core Numeracy such as fractions, percentages, decimals and the four operations.

Strong Mental Maths skills are a key requirement for S1. P7 will be encouraged to practice their multiplication tables daily.

Maths lessons will usually consist of a Number Talk starter. Here we look at calculations to develop mental strategies and discuss the different ways a solution can be achieved.

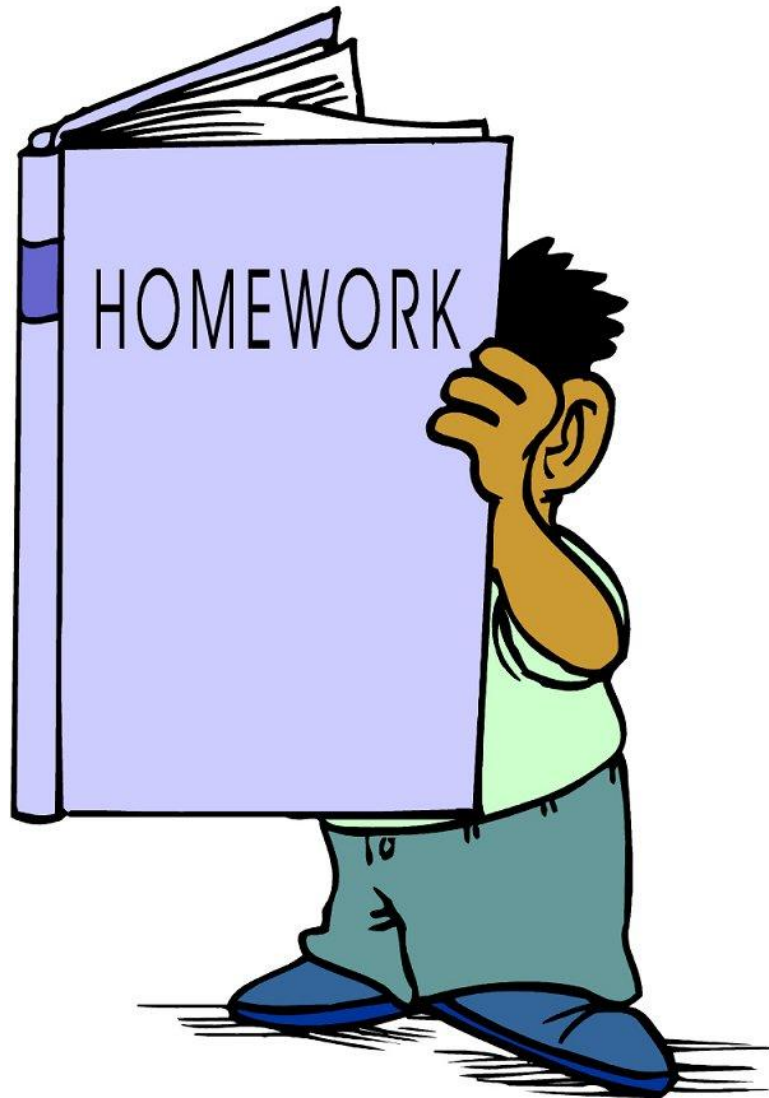

On Mondays Mrs Dunsmore will focus on Mental Maths agility and answering word problems.

Health & Wellbeing

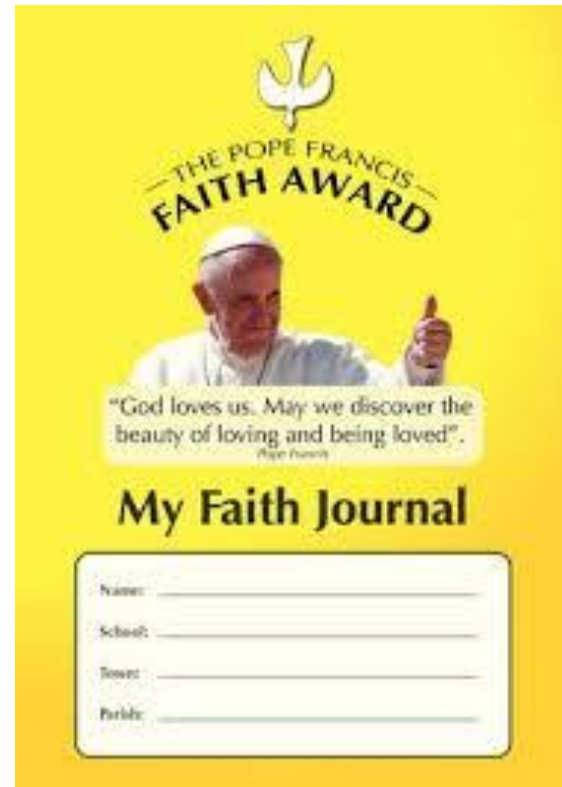

- P7 will use the PATHS programme and the East Ayrshire H&WB planners. Focus this year will be on positive mindset and life skills as they begin their transition to S1.
- Healthy eating is a focus always at MCPS and we encourage children to bring a healthy snack at break – no high sugar snacks as this can affect concentration.
- We have pupils with severe nut allergies and are a NUT FREE school.

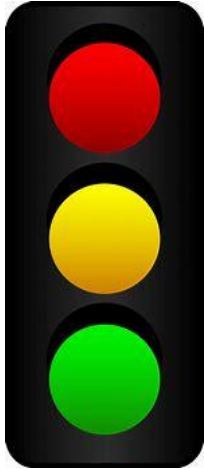

Homework

- Homework is useful for reinforcing the learning that is taking place in the classroom
- We find that children who regularly complete homework, have consistency between home and school and it aids retention of the learning taking place.
- Homework will prepare pupils for the increase in home learning tasks in S1.
- From the September holiday homework will be posted on the P7 Teams page, a hard copy can be requested.

Religious Education

- P7 will follow the Diocese of Galloway RE planners.
- Continuing with our PFFA – this award encourages children to live out their faith at school, at home and in the Parish.
- Opportunities to lead mass and participate as Altar Servers

Positive Behaviour

- We use a traffic light system, like that used in our PATHS programme
- The children have 3 opportunities to correct low level interruptions before being moved from green to amber.
- They then have a further 3 opportunities to correct behaviour before being moved to red
- If moved to red, children will lose a portion of their reward play
- If this becomes a daily occurrence, children will lose all reward play
- Reward play is free play which takes place on a Friday (40 minutes session)
- Class Charter– Rights of the Child

- Follow our teacher's instructions and use equipment for learning.
- Handle devices, chargers and headphones with care.
- Keep passwords private and respect other people's privacy.
- Only visit websites and use apps that our teacher and school allow.
- Tell an adult if we see something unsafe, inappropriate or upsetting.
- Report any damage or problems honestly.
- Log out and return equipment safely when finished.
