

Primary 2 Homework

Week Beginning: 28th September 2026

Literacy

In class this week we are revising our phonics and common words from the last three weeks. As a fun way to revise this learning the children have been asked to create a board game at home using their phonics and common words. You can find the words in the previous homework files. Children can work independently or along with an adult for support, have fun!

Maths

We are currently working on numbers within 100. Please see a variety of games below that you can enjoy at home.
