2nd November 2021

To the learners of Nether Robertland Primary

We wanted to take this opportunity to thank you for making the Inclusive Practice (DFS) Accreditation Panel so welcome on Tuesday 2nd of November when we visited Nether Robertland Primary School. We were absolutely delighted to see how embedded inclusive practice is within your school.

Calvin, Emma, James and Sophie gave the panel a fantastic tour of the school. The DIG group were excellent ambassadors for the school and impressed the panel with their knowledge of inclusion. Olivia was an inspirational young lady who articulated her journey in a clear, confident and mature manner and we observed lots of active learning and differentiated learning when we visited the classes. Kai did a fantastic job of sharing his Wellbeing Box.

It is therefore with great pleasure that we get to officially congratulate you in achieving your Gold Inclusive Practice (DFS) Award. Well done for all your hard work, you should all be very proud of yourselves.

Yours sincerely

The Inclusive Practice (DFS) Accreditation Panel
