## Eilidh and Isobel

Eilidh and Isobel had their Livewire summer showcase performances on 25th May.

Eilidh's group performed Cinderella and Rockerfella in which she played one of the Ugly Sisters. She also played an extra part, Snowdrop the fairy, in the younger group's performance of 'The Goblin Next Door'. Isobel was Whizz the Pixie in The Goblin Next Door and had a small additional part of one of Cinderella's animals in Cinderella and Rockerfella. Both put in a lot of work learning their lines, blocking, dances and songs. It all paid off on the night.

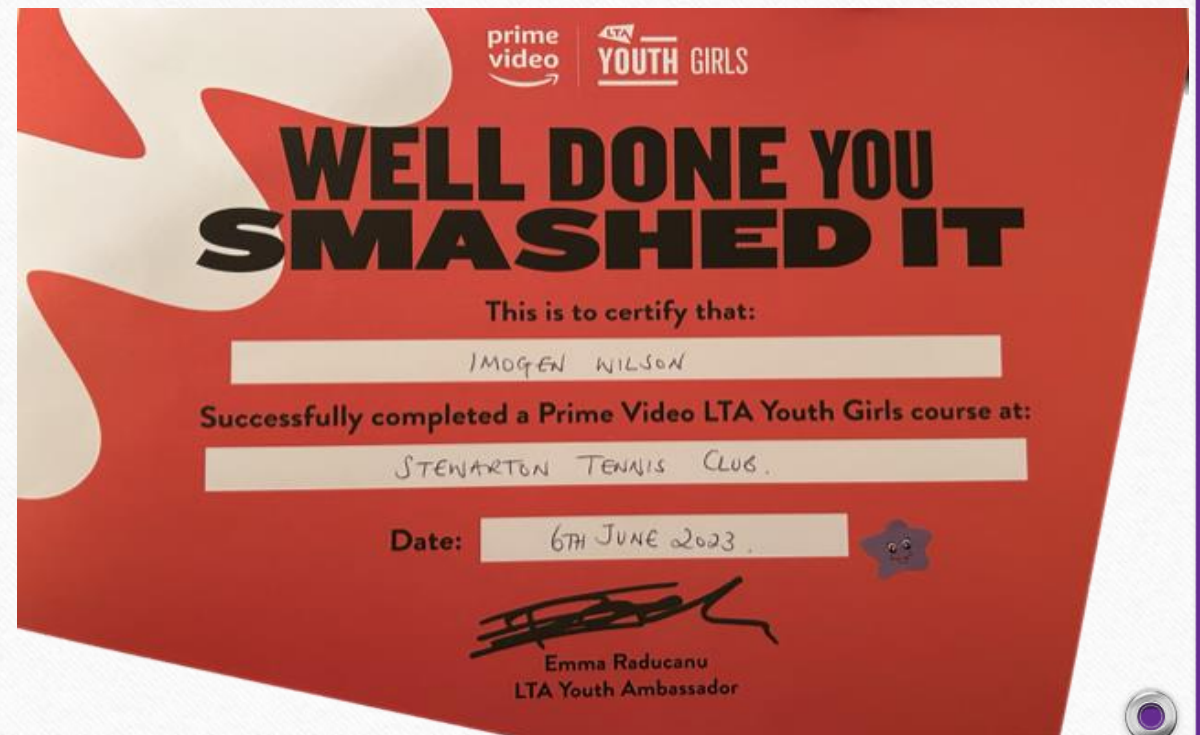

On 8th May Eilidh and Isobel did a sponsored climb up The Cobbler with the Stewarton Netball club to raise money for new kit. It was a very wet day which made it a hard climb but they persevered and made it to the top!
