Grayson - P6

Grayson was awarded the Stewarton Annick fc Forbes Ellis Player of the year, at the Club's awards night on Friday 24th Nov. This is an award for great attitude, dedication, determination, hard work, excellent sportsmanship and being a good team mate and development throughout the year. On Sunday 26th Nov, the Stewarton Annick 2013's (p6) boys, were awarded the leagues Fair play award. This is an award voted by all of the other teams in the league, for exemplary behaviour on and off the pitch. In 2021 my team won it and again in 2022. No one had won it two years in a row and they've only gone and been awarded it for a 3rd year running which is huge. We are extremely proud of our 2013's boys.
