

Nether Robertland's Path to Success

Nether Robertland
Primary School

Learning Intentions

- Learning Intentions are shared visually and revisited

Success Criteria

- Success Criteria is co-created

Previous Learning

- Learning links to previous learning

WAGOLL (What a Good One Looks Like)

- Children are provided with examples of learning that they are aiming for

Differentiation

- Learning is different for everyone

Activities are interesting

- Activities are interesting and make children enthusiastic about their learning

Thinking Questions

- Questions are asked that make children think

Review, Feedback, Next Steps

- Learning will be **reviewed** and **feedback** will be given on how well children have done with their learning and this will help with their **next steps** in learning
