A total of forty seven players from across Ayrshire played in the event with seventeen receiving medals for gaining two and a half points or higher out of maximum of four

There were also seven players who entered but did not show up on the night

Numbers were low due to various school events for holidays etc

- Thanks to Mr Taylor of Greenwood Chess Club for hosting and organising the event
- And thanks also to John Montgomery of Stewarton, Russell McAllister of Greenwood, Alan Steel of Stewarton for running the sections .
- Thanks also to Greenwood players who set up and then cleared and up after matches
- Thanks to all the parents and teachers who brought the players and kept the waiting rooms quite clear of rubbish etc

Please note that it takes over twenty hours of organising to receive and acknowledge entries, and then write up pairing cards and create wall charts and that players who fail to turn up on the night cause problems in getting the event started. Please be mindful of all that work and help cut down on the no-shows – there were around a dozen players who entered but did not show up on the night. There were also a few players who turned up without entering by email – these may be refused at future events. The deadline for entries is there for a good reason and helps reduce the workload.

It also helps if entries include the players full name, age, school or club and their level of ability

Next event will be the Ayrshire Chess Tour event on Thursday 22nd January 2026 at Greenwood Academy again.

Entry forms and details will be sent out shortly and are also available on the Ayrshire Chess Association website www.ayrshirechess.co.uk
