

New Cumnock Primary School - Primary 4

The following suggestions for additional practice at home will take the place of formal homework for this term as a trial. You can choose activities you think will be of most benefit to your child.

We will, of course, continue to teach all of these concepts and more in school. Your child's teacher will give core homework on a weekly basis. This extended learning grid focuses on developing wider life skills.

We would recommend around 15 minutes each day for a child at this level.

<u>Literacy</u>	<u>Numeracy</u>	<u>Health and Wellbeing</u>
<p>Read as much as you possibly can on your own or with an adult.</p> <p>Try reading as many different genres as possible and a mix of fiction and non-fiction i.e. (comics, newspapers, novels, recipes, short stories, catalogues).</p>	<p>Learn all of the number bonds up to 20.</p> <p>Learn fact families for addition and subtraction to 20 - example attached.</p>	<p>Try to be active for at least 20 mins each day, preferably outside.</p>
