

Welcome to Primary 1

at

New Cumnock Primary School

When I come to New Cumnock Primary School, I will meet Mrs Clarke and Mrs Elliott.

Mrs Clarke is the Primary 1 class teacher.

Mrs Elliott is the Primary 1/2 class teacher.

Other adults I will meet are -

Mrs McMurdo is our Head Teacher.

Mr Hastings is our
Depute Head Teacher.

Mrs McNulty is our
Principal Teacher.

Mrs Bradford is our Home link
Practitioner - she helps in lots of
different ways - giving families
support, being a listening ear,
offering advice on where to get help
if any is needed.

My Daily Routine at School:

In the morning between 8:45 - 9:00 I can be dropped off by my parent/carer/adult at the school gate where an adult from the school will be there to welcome me.

I will hang my jacket on my peg in the corridor. My peg will have my name on it. (I will need my name on my clothes, so we don't get mixed up.)

I will make my way into my classroom and sit on the carpet with my friends.

My teacher will take the register and welcome everyone to class.

I will then choose what I would like for lunch.

There will be a choice of soup, 3 main courses and fruit as a pudding.

Playtime

When the bell rings at 11am, Mrs Clarke or Mrs Elliott will encourage me to go to the toilet and collect my jacket to go outside for playtime.

I will take my snack out with me and House Points are given for having a healthy snack.

I can play games with my friends and eat my snack. When the bell rings again, I must line up with my class to go back into school to work hard again.

Lunchtime

When the bell rings at 12:15pm, it is lunchtime. Mrs Clarke or Mrs Elliott will encourage me to go to the toilet and collect my jacket. She will then walk me along to the dinner hall and I will sit at the table and be offered water or milk to drink.

These ladies will serve me a delicious lunch.

I will then line up and the ladies will serve me my meal and I will take it back to my seat and eat. When I am finished my lunch, I will tidy my things away and then go outside to play until the bell rings at 1pm and I will line up to go back into school.

I can also have a packed lunch, I will collect it from the trolley and sit at the table with the other children who have chosen to bring a packed lunch.

Home time

At home time, Mrs Clarke or Mrs Elliott will encourage me to collect my jacket and school bag.

My teacher will take me outside and I will wait with her until someone collects me.

If I get the school bus to school and back home, Mrs Clarke or Mrs Elliott will show me where the bus children line up and a Classroom Assistant will check the register and then take me to the bus at home time.
