

Newmilns Primary School Education City

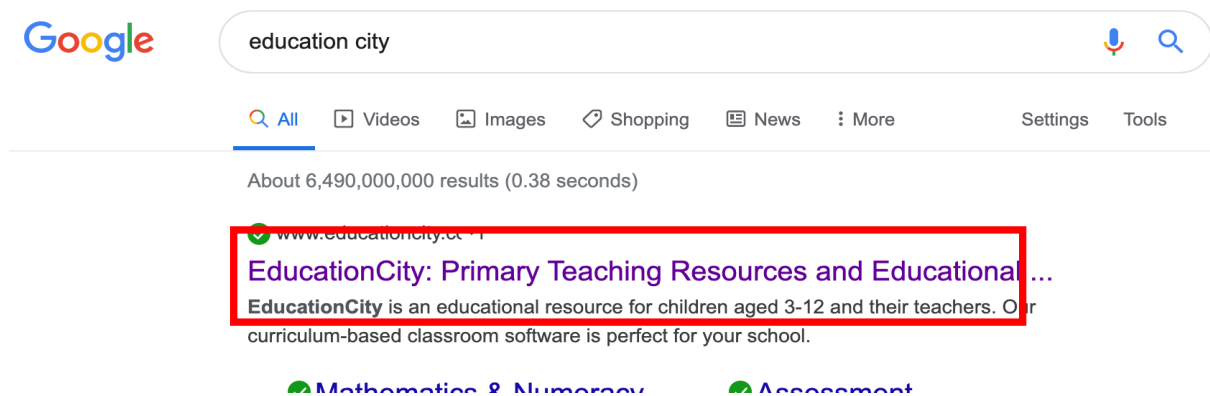

Education City is an educational resource for children 3-12 years old and their teachers. Pupils can log in and access learning activities and games to support their learning across the curriculum in school and at home.

This guide will show you and your child how to access Education City and learning activities and games that have been assigned to them by their teacher.

How to log on to Education City

STEP 1.

From a computer or tablet, use a search engine to search for *Education City*, click *EducationCity*.

OR

Use the link on our *Pupil Login post* on the school website.

Links to some useful websites.

- Glow
- Education city**
- Sumdog

Topmarks - Topmarks is a website that the children are also familiar with. It doesn't require a login. Games such as hit the button which focus on number bonds and times tables can be found on it. Children have used these games within class.

Please see this link below for a handy video guide at accessing and using Glow

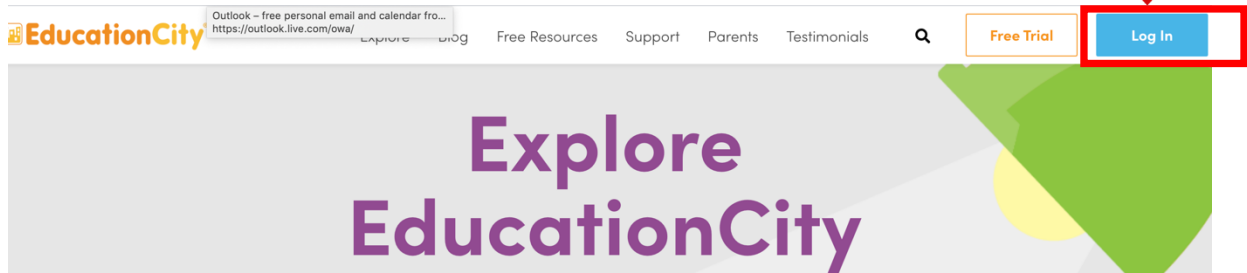

Glow Guide

Please also remember if you have a an account with East Ayrshire libraries you can access the app Borrow Box for free. This has a range of ebooks and audio books available completely free for you to use!

STEP 2.
Click on *Log In*.

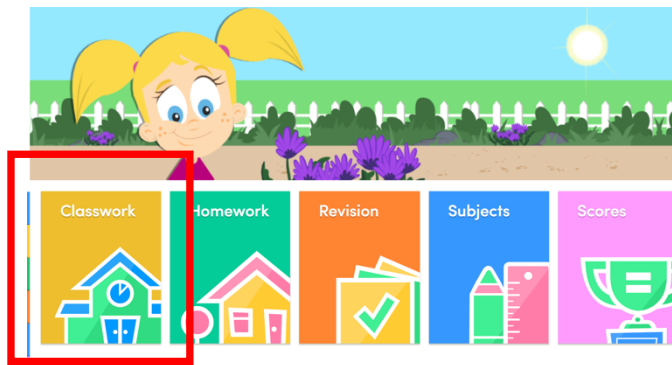

Pupils should now enter their username and password which has been issued to them and is in their diary. *Remember to select the country as Scotland.*

STEP 3.
Once logged in, your child will see the screen below. The layout may be slightly different on a tablet.

Learning activities and games have been assigned to your child. Click on *Classwork* to access these.

Example Classwork: Click on an icon to see the activities available to play.
