

P7 2023 - 2024

## October - December Curriculum Overview

### Literacy across Learning

Children have been introduced to their new reading books and will continue to use reading strategies to enhance their comprehension. In writing, working with Mrs McMahon, we are looking at various genres of text. Grammar -Group 1 will cover: confusing words, direct and reported speech, modal verbs and Standard and Non-standard English. Group 2 will cover apostrophes, subject and predicate in sentences, pronouns and relative pronouns.

### Numeracy and Mathematics across Learning

This term Primary 7 will be learning about symmetry and angles. Group 1 will also be covering multiples, factors and prime numbers. Group 2 will be covering fractions, decimals and percentages. Group 3 will be covering measurement.

### Health and Wellbeing

Primary 7 will be covering the difference between legal and illegal substances and decision making. They will also be covering RSHP.

### Interdisciplinary Learning

Primary 7 will continue with WW2 activities. Teams will be covered linking to Clean Green Initiative for East Ayrshire, lead by Mr MacLeod.

### Other Activities or Events

P.E. will cover team games and cooperation. Scottish dancing (Christmas) will take place. Primary 7 will sing at the school concert.
