

HOMEWORK

P1

Weekly Homework

Children will bring home a sound/common word jotter once they begin formally learning sounds and common words.

The sound jotter allows children to reinforce the sounds learned in class, and if they wish they can practise writing the sound. You can also use the sounds in the jotter to play games like eye spy or finding the sounds in books.

Common Words' are common or high frequency words which children need to use in their writing, but don't yet have the phonic knowledge to spell. Please support your child with practising to read the common words. They can also practise writing them in their sound book.

Thereafter Miss Smith may issue additional tasks to reinforce taught sounds and once the children begin to blend sounds together to make words a small jotter and word list will come home for additional blending

Reading

Reading books will not be formally introduced until after all initial sounds have been taught and children introduced to a range of common words. It is likely this will be around January/February. Thereafter children will bring home books they have worked on in class to demonstrate their skills. Please encourage your child to read for enjoyment and share stories with the

Interdisciplinary Homework Tasks

Interdisciplinary learning (IDL) enables learners to make connections across learning through exploring clear and relevant links across the curriculum. It supports the use and application of what has been learned in new and different ways.

In Primary 1 children will take part in one interdisciplinary family learning task over the course of the year.

Other homework, including use of online platforms may also be issued. Any passwords needed will be shared.
