

HOMEWORK

P4--7

Weekly Homework

In Primary 4-7 children's spelling words will be found on Learner Journal along with multisensory spelling menus. We will promote personalisation and choice, by allowing children to choose which activity suits their learning style best. A jotter will be provided but not all spelling activities will require this.

Teachers will correct any work handed in.

From time to time, homework work might include on line platforms, usernames etc will be issued via seemis text if required.

Interdisciplinary Homework Tasks

Interdisciplinary learning (IDL) enables

Learners to make connections across learning through exploring clear and relevant links across the curriculum. It supports the use and application of what has been learned in new and different ways.

At Primary 4-7 there will be two interdisciplinary home learning tasks issued per term, two between now and Christmas, two between January and April and two in the summer term.
