

P4H HOMEWORK

WEEK BEGINNING: 10.11.2025

READING

Please read the new book assigned on boost learning. You should practise reading with fluency and expression like we have been practising in class.

If you can read to another person out loud please do as this can help with both fluency and expression.

NUMERACY

Practise your 6 times tables.

You can use:

- Hit the button (topmarks)
- Sumdog (Task)
- Youtube: 6 Times Tables Taylor Swift

SPELLING

Our spelling sound this week is 'a' (ahh). Use an active spelling strategy to practise words with the 'a' sound. (The active spelling grid is posted separately in the home learning tab.)
