To promote partnership between the school, its pupils and all its parents/carers

To develop and engage in activities which support the education and welfare of the pupils, and work with the School Management in this regard

To identify and represent the views of parents on the education provided by the school and other matters affecting the education and welfare of the pupils.

To play a part in the appointment of senior promoted staff in conjunction with East Ayrshire Council.

What do we do?

The Parent Council fundraise throughout the year to allow our children to have fun days and events as part of their school life. The Parent Council strives to work with the school and its staff to improve the education of our children together with extra-curricular opportunities and we cannot do this without the support of parents. We organise school discos, the sale of personalised Christmas cards and have held events such as Psychic evenings and family games nights. These are just some examples of how we help throughout the year. We are also here to listen and relay any information to the school as the Parent Council. Please be assured that any matters brought to our attention will be dealt with in confidence.

Communication

The School App is a great way for communicating with parents & carers. It allows us to inform you of events or pass on relevant information. We also have a facebook group that allows us to communicate information to parents and carers. If you wish to contact us directly, please email us at Ochiltreeparentcouncil20@gmail.com

Our promise to you

We will maintain our responsibility as Parent Council and listen to you the parents and carers of our children here at Ochiltree Primary School.

Thank you, Ochiltree Parent Council
