What Does a Dog Need?

Owning a dog is extremely rewarding and can be fun but it is also a big responsibility. Dogs need to be fed the right kinds of food and must avoid others such as chocolate, which would make them ill. Owners must also ensure their dog has a comfortable place to sleep. Exercise is vital to help dogs stay healthy and daily walks are essential. Always ensure your dog stays safe by keeping them on a lead in public places.

What Are Baby Dogs Called?

Baby dogs are called puppies and they are born in a litter. This means that three, four or more puppies are born at one time. From birth, they drink milk from their mum. They have to be about four weeks old before they start to eat solid food.
