

Onthank Primary School Calendar 2020/2021

This year we are working towards becoming a **Silver** Rights Respecting School. We will be learning about our Rights and using them throughout the school ensuring that everyone feels safe, happy and respected.

We are currently working through activities involved in continuing to be a 'Rights Respecting School'. We are working hard to embed the UNICEF Children's Rights in our school. A rights-respecting school not only teaches about Children's Rights, but also models rights and respect in all its relationships. 'The Rights Respecting Schools Award' (RRSA) recognises achievement in putting the [United Nations Convention on the Rights of the Child \(UNCRC\)](#) at the heart of a school's planning, policies, practice and ethos. We believe that being a Rights Respecting School supports a rich learning environment that places the best interests of the child at the heart of all our policy and practice.
