## Numeracy

This pencil is 4 paper clips long.

Now find more objects to measure.

Instead of using a ruler and measuring how long a pencil is use paper clips and figure out how many paper clips long the pencil is. You can also use pasta or marbles.

## Numeracy

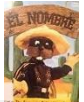

### Karate Cats Maths

You have been chosen to train with the Karate Cats!

<https://www.bbc.co.uk/bitesize/topics/zjkphbk/articles/zf4sscw>

## Numeracy

El Nombre sorts money into groups of the same coins, totalling each group and then adding them together.

- Do you have any money in your own bank that you could count?

<https://www.bbc.co.uk/bitesize/clips/zy96sbk>

## Numeracy

Log in to Bug Club and play some of the Active Maths games.

## Numeracy

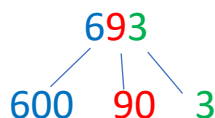

Practise your quick recall of addition, subtraction and multiplication with the Funky Mummy.

<https://www.ictgames.com/mobilePage/funkyMummy/index.html>

## Numeracy

Write down 10 different 3 digit numbers

Can you partition the numbers? Think about hundreds, tens and ones.

## Numeracy

Use the digits 7 8 2

- What is the smallest number you can make?
- What is the largest number you can make?
- How many different numbers can you make?
