

Topic - Early Level

A Rainy Day

Watch Come Outside and find out about rain. Maybe you could collect rain in a container and see how much rain falls in a week.

https://www.youtube.com/watch?v=FqNTJXi_HtA

Toys

Choose 10 of your favourite toys. Find out what they are made of and how they work. Ask a grown up to tell you about their favourite toys from when they were a child. Maybe you could phone an older relative to ask them too. Remember to tidy up your toys!

Beach Patrol

Watch a Paw Patrol clip where Rocky save the sea turtles and then play the beach patrol recycle game. Remember to recycle at home.

Cbeebies Radio

Choose your favourite news report and hear about some of the amazing jobs that grown-ups do.

- Can you pretend to be a news reporter?

Autumn Leaves

Pick up leaves and sticks from your garden and look closely at the colours, shapes and patterns. What do you notice? Can you use what you find to make an autumn picture?

Create Playdough

Learn how to make playdough with flour, water and salt. Have fun!

<https://www.youtube.com/watch?v=jv73CEzY1jg>

STEM Challenge

Ask a grown up to give you some junk materials such as old cereal boxes, toilet rolls or plastic bottles. Build a model of your choice and draw a picture of your design.

Nina and the Neurons

Go Digital

Play the game to find out about computer technology.
