

## Number puzzles.

Can you make addition and subtraction calculations using only the numbers in each square. You can choose either the green square or the red square.

2	9	5
12	4	3
6	1	10

8	36	20
48	16	12
24	4	40

Remember you can use a ruler/ numberline, bricks or counters to help you.
