

Paper Plate Lion

SUPPLIES:

- paper plate (white or yellow)
- yellow craft paint (if using white plate)
- paint brush
- brown, yellow and orange craft paper
- scissors
- glue stick
- craft glue
- black marker
- googly eyes

STEPS:

- **Paint**
 - Paint paper plate yellow.
- **Cut the Lion's Mane**
 - Cut yellow and orange and brown strips out of craft paper.
 - 3 different lengths
 - brown – large
 - orange – med
 - yellow – small
- **Glue the Lion's Mane**
 - Rim the back edge of the plate with glue stick where the strips will be applied.
 - Stick on alternating yellow and orange strips around the back of the plate.
 - Then glue a second layer of large brown strips layering on top and in between the yellow and orange coloured strips.
- **Cut the ears and nose**
 - Cut out 2 larger yellow circular and 2 brown smaller shapes with rounded edges -
Tip: shapes of the same size can be cut together by layering your pieces of craft paper
 - Cut a brown triangle shape with rounded edges out of craft paper for the nose.
- **Glue ears nose and eyes**
 - Glue inside and outside ear shapes together then attach ears at top of the plate. Glue the nose at the centre of the plate then add the eyes.
 - Draw the mouth starting at the base of the nose and add dots and whiskers.
