

# PLEASE CAN YOU SQUEEZE US IN?

## ***Mary, Joseph, Donkey and visitors***

Please can you squeeze us in?  
We don't have many things,  
We're very small and we don't need much at all.  
We need a little food,  
A drink or maybe two,  
And a bed to rest our heads.

## ***Innkeepers and citizens***

Look, we're fully booked!  
Read the sign, stop wasting all our time!  
Try some other place,  
No room, no room, NO ROOM!

*Both parts sing together*
