

IT'S A CENSUS!

Innkeepers/chefs

1. Bethlehem is busier than it has ever been,
Bethlehem is full of people we have never seen,
And everyone we meet
Needs somewhere nice to eat,
We're making lots of money
But we're rushed right off our feet!

All

CHORUS *Oh it's a census! It's a census!
Caesar's making all the rules
And what he says, we do!
It's a census! It's a census!
I do not like Caesar, do you?
(Shouted) NO!*

Market-stall owners

2. Bethlehem is busier than it has ever been,
Bethlehem is full of people we have never seen,
The streets are chock-a-block,
They're shopping round the clock,
We're hiking up the prices,
But we're running out of stock!

CHORUS

*I do not like Caesar, do you?
(Shouted) NO!*
