

Joining the letters i and n

The two letters we use to form the word 'in' are written together without stopping or lifting the pencil. Trace over this word many times with the blunt end of your pencil. Dot the 'i' after the word is finished.

in

in in in in in in

Practise the above row in space below.

Now try again with these 3 letter words.

din tin din tin din tin

Now try this one...

im aim dim him
