

# Teacher notes

Children will use manipulatives (counters / beads etc) to make equal groups by sharing. The group sheets can be maximised to A3 size if required. Children will choose and perform the instructions on the task card then create the following sentences in their books to describe their equal groups.

There are \_\_\_\_ altogether.  
There are \_\_\_\_ groups in total.  
There are \_\_\_\_ in each group.

## DEVELOPING

Children will share by making 2 equal groups.

They will be given the stem sentences above to complete for each task card. Children may work in partners for this.

## SECURE

Children will share by making up to 3 equal groups.

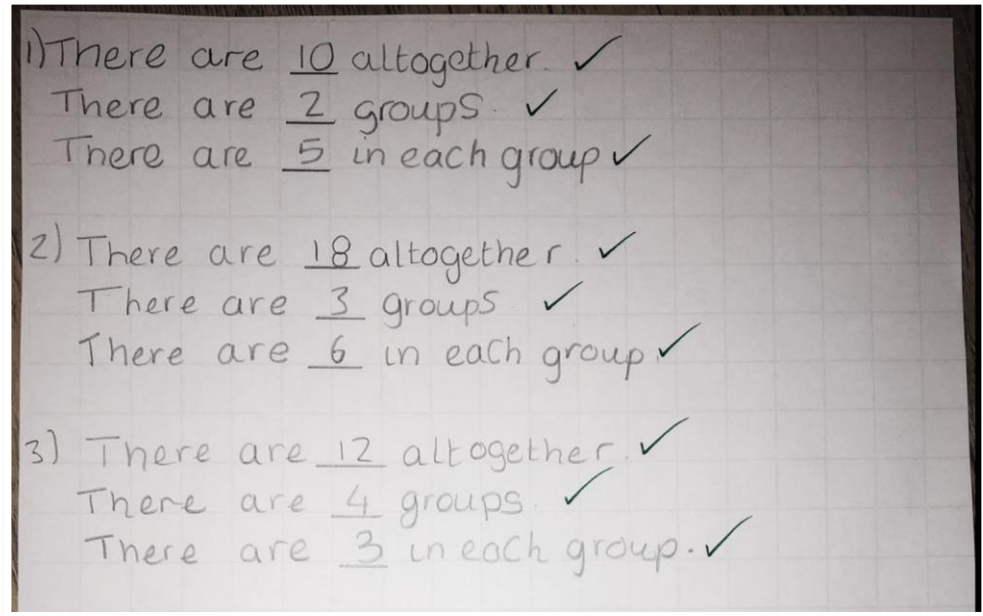

They will complete the sentences above in their book for each task card.

## MASTERY

Children will share by making up to 4 equal groups.

They will write the sentences above and also add: \_\_\_\_ groups of \_\_\_\_ make \_\_\_\_.
