

P/2 Numeracy TUESDAY

L.I. - I can add more.

1. Look at the ten-frame.

First 1 leaf fell to the ground.

Then, 3 more leaves fell to the ground. Draw them into the ten-frame.

Now, there are ___ leaves on the ground.

2. Fill in the ten-frame to help you answer the number story.

First, 4 leaves fell to the ground.

Then, another 1 leaf fell.

Now, there are ___ leaves on the ground.

3. Can you find the answer to this number story?

Bob makes a tower 6 blocks tall. He then adds 3 blocks.

How tall is Bob's tower now?

Use a ten-frame or drawings to help you. 😊
