

## P1/2 Numeracy - THURSDAY

L.I - I am learning to create subtraction fact families.

1. Can you use the ten-frame and part-whole model to help you complete the fact-family number sentences?

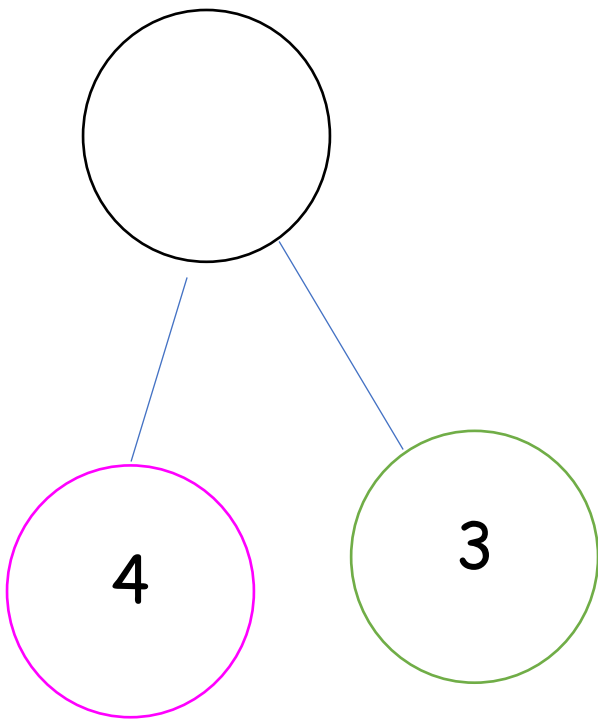

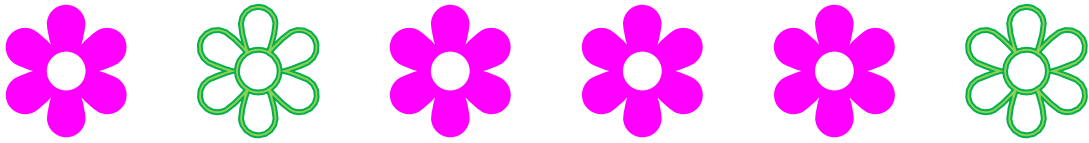

$$\square - \square = \square$$

$$\square - \square = \square$$

$$\square = \square - \square$$

$$\square = \square - \square$$

2. Here are some flowers. Can you complete the part-whole model to complete the fact family sentences?

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square - \square = \square$$

$$\square - \square = \square$$
