Explore coins and money, practicing counting in 2's, 5's, & 10's.
Comparing units of measure

READING

Log in to Bug Club and complete book.

Spelling

Sumdog for Spelling practice, for this weeks phonemes and common words.

IDL

With your family talk about ways you could save energy at home, eg. Switching of lights, and devices when not in use..

IDL:

Research facts, about Sir David Attenborough and present in a poster, using pictures/drawings/ headings/ writing/making it bold and colourful. [This link will help you find some](https://www.natgeokids.com/uk/discover/science/nature/david-attenborough-facts/)

Health & Wellbeing

Using a timer, for a minute, how many throws and catches of a ball can you do?
Set up a target, and practice underarm and over arm throws, increasing accuracy.

Health and Wellbeing:

Create a family tree with your family.
Talk to family members and learn something that you didn't know before.
Likes/dislikes, favourite things....

information. <https://www.natgeokids.com/uk/discover/science/nature/david-attenborough-facts/>

ART

Using recyclable materials that you can find at home, create a new item for the home that you could use, e.g. bird feeder, game, plant pot..... Or anything else you can think of.

LINKING OUR LEARNING

Learners to complete any 4 of the IDL/ HWB/Art activities.
Either 15 mins per night or no more than 45mins across the week

All work to be handed in to the teacher in written form where appropriate on Friday.

Thank you from Mrs Mooney
