Sound of the week activities

See attached outdoor spelling cards. Activities can be used for both spelling words and common words.

Common words

Can you please help your child learn to **recognise** these words by writing them (bubble writing, colourful writing, squiggly writing, fancy writing) or with materials outside. Drawing a line around each word and looking at the shape of the word. Talking about tall and small letters. You can use your magnetic letters to say, make, read and write these words.

Sounds

Say, make, break, blend, read and write using words from the list. Your child will be able to tell you what to do! Don't show your child the word, just say it to them. Use the magnetic board.
