

# Easter egg symmetry

Family Maths  
Toolkit

**Easter egg wrappers often have symmetrical patterns. They sometimes use mathematical shapes to make the patterns.**

Can you design an egg wrapper using different shapes and colours – make it symmetrical!

Can you draw half a symmetrical pattern, for an egg, and ask someone in your family to complete it? Do not make it impossibly hard!

**Helpful hint:** Talk about which shapes have been used and their orientation.

**Family comments:**

**Child comments:**

## Curriculum Link

Work with patterns of shape, including those of different orientations.
