P6/7 March Homework Grid

Reading :	Spelling block 11, 12 & 13	IDL - Famous Landmarks of Scotland	Times tables :
Listen to your Giglets book.	Practise spelling your words aloud to someone at home. Using a search engine, can you find any other words which would fit in our phoneme categories.	Do some research into your topic question.	TT1 - 9x tables TT2 - repeated addition beyond 12x table: Count on in 15s, 20s, 25s, 50s
IDL - Famous Landmarks of Scotland Write about why you have made your choice of fact file for our Scotland folder.	Reading : Read your book aloud with someone in your house. 	Spelling block 11, 12 & 13 Ask someone at home to test you on your words and dictate different complex sentences using different spelling words. A complex sentence uses several key words, connectives and nouns + verbs.	IDL - Famous Landmarks of Scotland Make a powerpoint to support your fact file in class. This can be shared at the same time as your fact file to show different ways of displaying information.
Spelling block 11, 12 & 13 Explore : • Different ways to make the phoneme sound • Words and pictures using the phoneme • Complex sentences using some key words • Write your own phoneme story to share in class.	Sumdog : Click on the tasks bar to find out if you have any tasks allocated. Once these are finished then you can build up your fluency in numeracy.	Reading : Choose a text at home and enjoy some quiet reading time. This can be fiction or non-fiction, a magazine/comic/newspaper. Encourage someone else to read with you. You can write a summary of your text or write about your opinion and whether you would recommend this text to anyone else.	Practical fractions at home: Cut up pizza, cake, chocolate, toast into different equal fractions. ****** Using lego, coins or pasta shapes work out fractions of a quantity. e.g.3/4 of 16. Split 16 into 4 equal groups then count how many are in 3 of the groups.
