Can you please ensure that you have returned all relevant paperwork for your wee darling.

Annual data form

EV5 - to allow us to go on mini adventures

Is mise handout - to give us all the good patter about your legend child.

### 4 seasons in one day!

Due to the glorious Scottish weather our need for welly boots and sunscreen for the same day is just normal. We have wellies and waterproof suits for each of the children that we will handle abiding with COVID guidance.

On a shiny day please apply sunscreen on your precious bundle in the morning. We will top up during the day. A sun hat would be smashing too x

## Homelink activities

With each new topic that we investigate in the Sgoil-Àraich, we will provide you with wee homelink activities to ensure that you are fully involved in your wee person's learning. You are your child's main educator and with these busy jobs you can share your learning at home with us in the Sgoil-Àraich. Please send us pictures/videos of your hard work. the children can share their work with the ladies and their friends.

## Continuous Professional Development in the Sgoil-Àraich

The Sgoil-Àraich ladies are all working hard to continue to improve and increase our knowledge. Mrs Samson has completed the GLPS course. This course is a Gaelic course designed for teachers to teach Gaelic as a supplementary language. Mrs Samson has now passed the baton onto Mrs Barnie who, like Claire, will smash the course. This learning and enthusiasm we pass onto the children and encourage them to be the best that they can be.

Tapadh leibh x

A huge big thank you to Angie, Lynsey and Kayleigh for their kind donations to the Sgoil-Àraich. The children all have their own water bottle now and DVDs to watch for a wee treat. We also have helmets for the children to use on the bikes x Angie also gave us a beautiful storage unit. Thank you so very much ladies x

Word Aware

Shortly we will be doing Word Aware in the Sgoil-Àraich. This is a learning and teaching tool to support the development of children's language and vocabulary in Gaelic. This programme will allow the children explore, learn and practice using a new word or concept in a fun and engaging way. We will keep you in the loop x

Seall agus Innis

In the Sgoil-Àraich we encourage the children to share their news, adventures and great work and achievements. If there is anything at home that is special to your little person, please share photos with us through the Learning Journals.

Please remember, if you have any concerns or queries, do not hesitate to speak to us or get in touch.

'continue with the good eating'

In the Sgoil-Àraich we have a breakfast snack which consists of fruit or vegetables. At lunch the children are served 2 portions of vegetables. We encourage them to at least try x

'feels like her home away from home'

All the ladies in the Sgoil-Àraich are aware what a huge step coming into the playroom is. We are all mummies and treat the children like our own x

'it has been a difficult transition...great progress has been made over the past few weeks'

We are so lucky to be allowed to look after and play with your children. They are all individuals and we support them where and when they need us x
