

Nationals Geography: Guide for Parents and Carers

September 2018

This information sheet is to assist parents & carers in supporting young people with the Nationals Geography course for Session 2018/19.

Nationals Geography Course Information

National Geography candidates attend classes for four periods per week (or six in S5/6).

Pupils study three units throughout the year:

- Physical Environments
- Human Environments
- Global Issues

National 5 pupils are assessed by two components:

- An exam paper worth 80 marks (2 hrs 20 mins)
- An assignment worth 20 marks (1 hr)

The Geography SQA Exams will take place on:

Tuesday 28th May 2019

National 4 pupils do not sit an external exam. Instead they will sit a unit assessment for each of the three units studied, and also complete a research project.

Monitoring progress

For N5 pupils, Unit Assessments have been removed which means that candidates' progress will be assessed in a number of ways including:

- Prelim exam
- Class tests
- Knowledge tests
- Homework questions

The exam questions in particular will determine a candidate's ability to cope with the demands of the final exam.

Specific pupil assessment dates will be given by class teachers however should roughly follow the schedule below:

Aug	<i>Weather</i>	Jan	<i>Prelim</i>
Sep	<i>Urban</i>	Feb	<i>Assignment</i>
Oct	<i>Glaciation</i>	Mar	<i>Health and Coasts</i>
Nov	<i>Climate Change</i>	Apr	<i>Rural Exam prep</i>
Dec	<i>Population</i>		

Homework, Supported Study and Revision

All candidates studying National Geography will have tasks they should be working on at home. The majority of homework will take the form of completing example exam questions. These will be issued by class teachers and details posted on Show My Homework. It is very important that pupils adhere to all deadlines set by class teachers.

Supported Study is offered by the department as part of the whole school programme. Details of Supported Study sessions will be issued to parents by the school. In addition to this, Mrs Fulton offers further supported study sessions at lunchtime. Additional support for any pupil who requires it can be arranged with Mrs Fulton.

As well as set pieces of homework which require a submission to teachers, pupils must carry out regular revision at home. The pace of the Nationals Geography course requires pupils to engage in consolidation work at home therefore there is an expectation that every pupil is spending at least one hour per week revising (and more as exams approach). This could take many forms including:

- Reading over class notes/ materials from Blogs
- Creating mind maps/ spider diagrams/ flash cards of classwork
- Completing Past Papers
- Working with a peer to create questions & answers on a key topic

Pupils should not be listening to music, using mobile phones or watching television while revision activities are carried out. This could impact on the effectiveness of revision activities.

Any past paper questions completed at home may be submitted to class teachers for feedback and marking.

The Assignment

All National 5 Geography candidates must produce a report on a topic of their choice. This is worth 20 marks and must be produced with minimal support from class teachers.

This will require a considerable amount of a candidate's own time in order to:

- Carry out required reading/ research and identify a suitable topic
- Identify suitable methods of gathering data (carry out field work)
- Produce 2, A4 sides of processed information using the data gathered
- Write-up and learn a discussion of findings with conclusions

Pupils will be working on this from November 2018. The final assignment will be written up under exam conditions and pupils have one hour to do this.
