LOCAL HERO

This weeks local hero goes out to one of our favourite local businesses! The sugar cube.

The sugar cube have been amazing, from keeping the kids entertained to giving something back to the local community. They also still offer a window service so you can still get all the sweet treats your hearts desire! You may also see some friendly faces as our very own students work there!

They have went above and beyond for the local community. They do a weekly hidden heroes which is when they go hand out ice creams, milkshakes and sweets to their local hero of the week, they now offer a safe space for those who are getting bullied or feel isolated or in need of shelter, and to put the cherry on top they are constantly doing wee competitions to keep the kids entertained during lockdown. They are keeping community spirits up, and spreading positivity and bringing a little happiness into all our lives, in these hard times.

So thank you sugar cube for all that you do, you have managed to put a smile on our faces! Keep spreading the positivity!
