# ANNE DURNAN

## OUR LOCAL HERO

This weeks local hero goes to someone so deserving she does everything she can to help those in need in this extremely challenging time. Anne Durnan is a personal trainer for East Ayrshire council, and has been extremely helpful to all those who are in need.

Anne goes above and beyond for the people in need, she is still working and she selflessly gives up her own free time to deliver meals all by herself in the first couple weeks, to those who are shielding and vulnerable this is to ensure that those in need are getting a hot meal everyday so there is no need to worry about whether or not they are going to have a dinner. Anne lost half a stone over a few days with worry, she is so kind and compassionate towards others she deserves every bit of praise she gets.

Anne also walks a local elderly woman's dog everyday as she is unable to herself, she wouldn't know what to do without Anne she is so helpful to her and always manages to brighten her day. She is doing an amazing job and according to the local residents and volunteer staff she never fails to put a smile on everyone's faces! She's a bright, bubbly character and you wouldn't be surprised to hear her singing one of your favourite tunes.

The local elderly residents would like to thank her for her time and dedication, she has done a phenomenal job and truly deserves this weeks local hero. So from everyone at Stewarton Academy and the community...
