Determination, Fairness, Responsibility, Respect

Stewarton Academy

Prelim Timetable 2024 – 2025

Tuesday 12/11/2024 – Friday 06/12/24

Notes

- If the assessment is outside of normal class time, you should return to your timetabled class when it is finished.
- For subjects that take place outside of normal class time, you go to the assessment and not your timetabled lesson.
- Those young people entitled to additional assessment arrangements will receive individualised details from Miss. Inglis, PT Support for Learning.
- In some cases, assessments will start slightly earlier than period times to allow for completion within the school day.
- If assessments run into interval or lunches, this time will be added on elsewhere.
- Please remember to check the school app, Teams pages and Twitter/X feed in case there are any last minute changes to arrangements.
- Core RE, PSE & wider achievement periods will be used for study, unless an assessment is being held at these times.

Good luck!

Mr. F. Hardie
Depute Head Teacher
