#OurSchoolValues

Responsibility.

Being responsible for your own learning
 Being responsible for creating positive relationships
 Being responsible for your own actions and interactions

Determination.

Being determined to sustain effort and engagement
 Being determined to take on board feedback and face challenges
 Being determined to have a growth mind-set and believe that you can improve

Respect.

Being respectful of school spaces to create a safe & nurturing environment
 Being respectful as a young person within the wider community
 Being respectful when communicating with your peers, staff and teachers

Fairness.

Being fair towards others by addressing bullying
 Being fair to all by demonstrating kind actions and manners
 Being fair and helpful towards your peers by treating everyone equally
