

Escape From Azkaban!

FURTHER STUDY / CAREERS:

SET DESIGNER

Qualifications

required:

Art & Design
English

**My World
of Work**

Here are some of the skills that people in this job would be most likely to have:

- Communicating with people
 - Making things
 - Designing
- Finding solutions to problems
- Researching and investigating
 - Being creative
 - Budgeting
- Planning and organising
- Paying attention to detail

Top skills

DRAMA – ENGLISH – ART – MUSIC

DrEAM

DrEAM (Drama, English, Art and Music) is an **IDL project** and **competition** highlighting connections and transferable skills between the different creative subjects.

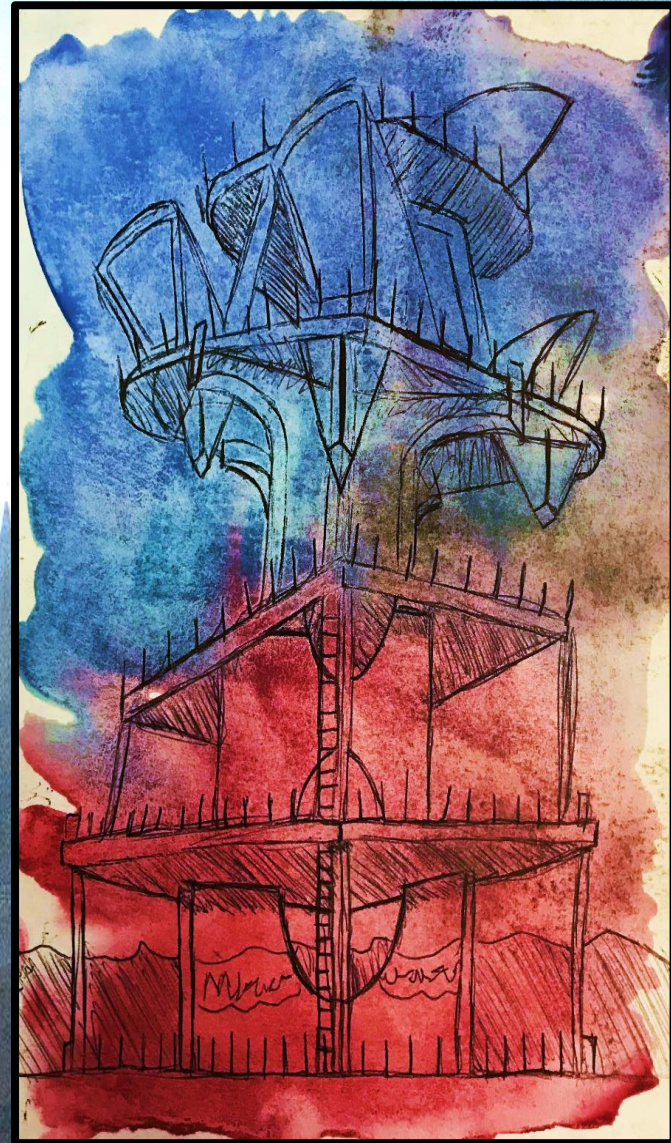

The Challenge

This is a *team* challenge! You will be working across the different subjects (listed above) to create a **short film** entitled “**Escape from Azkaban!**”.

However, **in order to win a place in one of the final four teams** you will be **competing** with your classmates to produce the best work to be included in the film.

In Art, you will **design and make** an exterior and interior set of the wizard prison ‘**Azkaban**’. You will explore different ideas before coming up with a final design in pairs.

CONTINUOUS LINE DRAWING: EXAMPLE PUPIL WORK

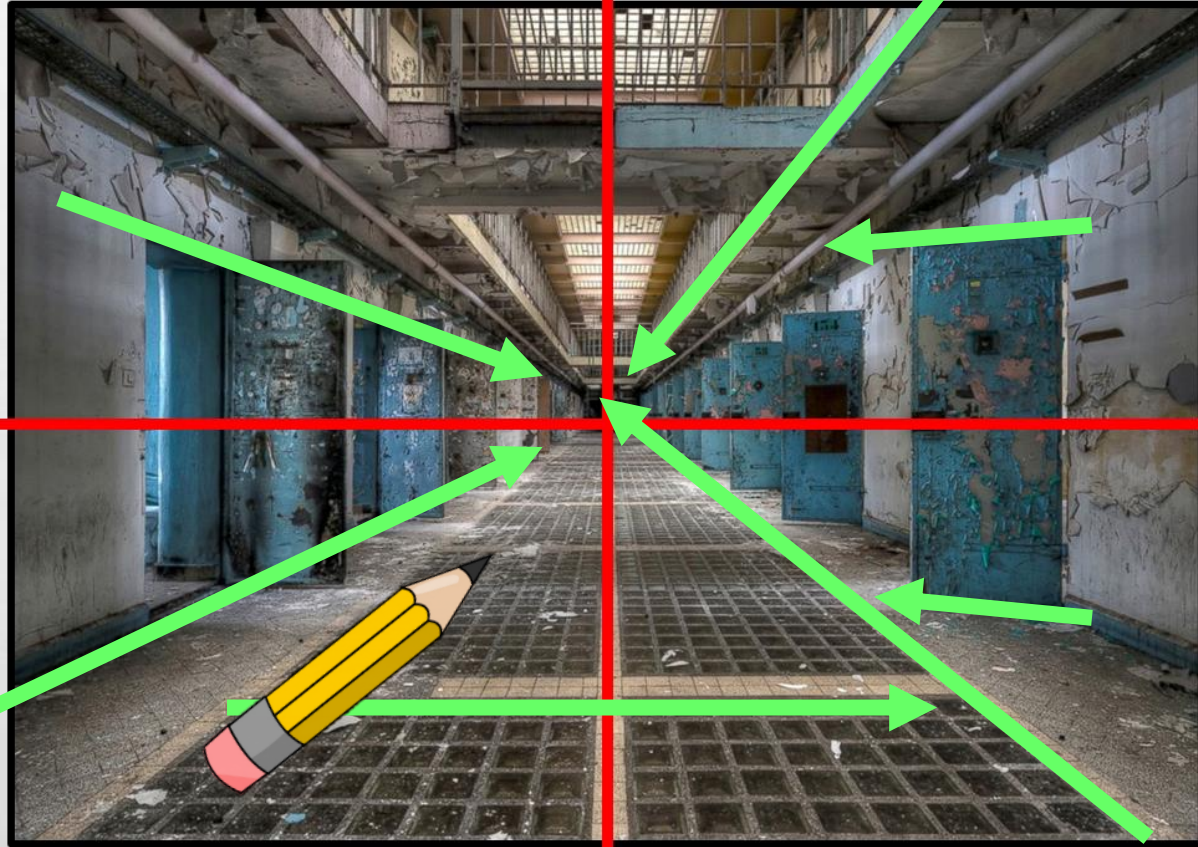

VISUAL ELEMENTS: LINE & COLOUR

INTERIOR STUDY

P 4

VISUAL ELEMENTS: LINE & SHAPE

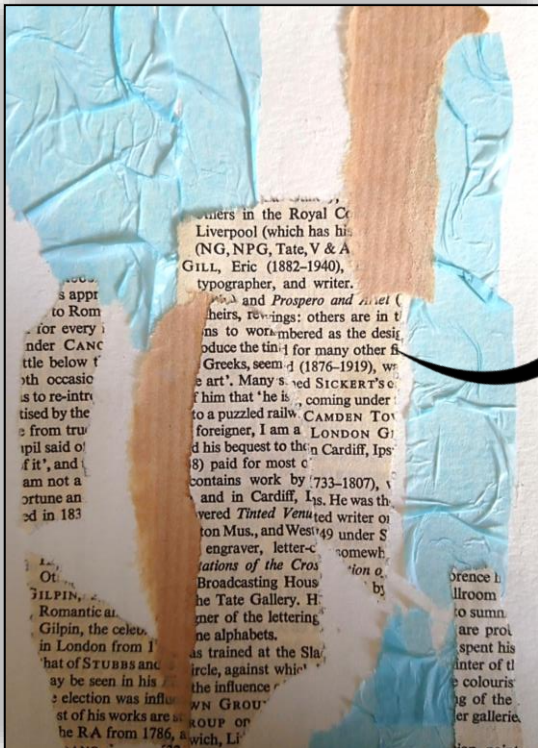

PUPIL EXAMPLE

- **ANGLES** (Check with the edge of your pencil)
- **PROPORTION** (How much space does each shape take?)
- **LINE** (*freehand sketching, steady light pencil work*)

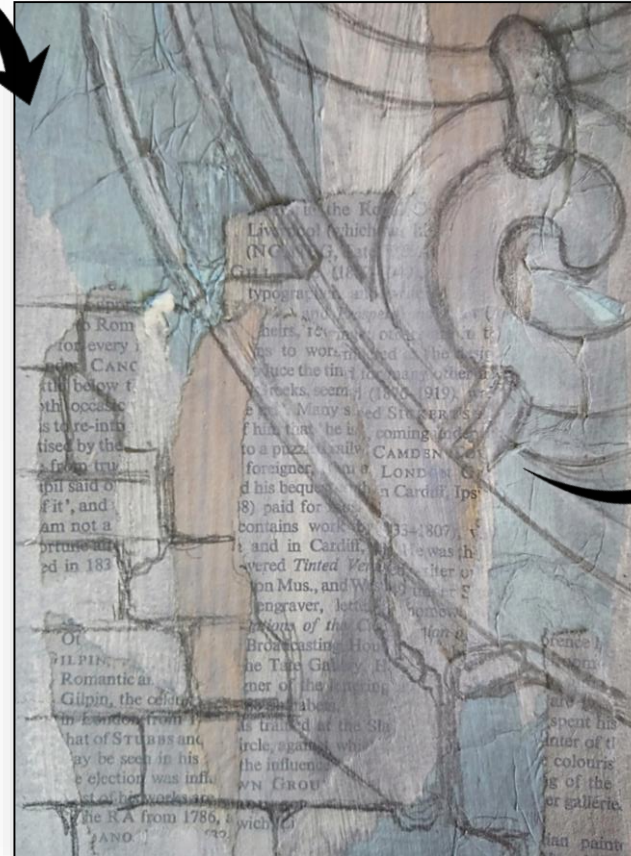

IAN MURPHY STUDY: TEXTURED BACKGROUNDS

1. Using a glue stick, layer different types of ripped paper onto your surface to create a range of textures for the background.

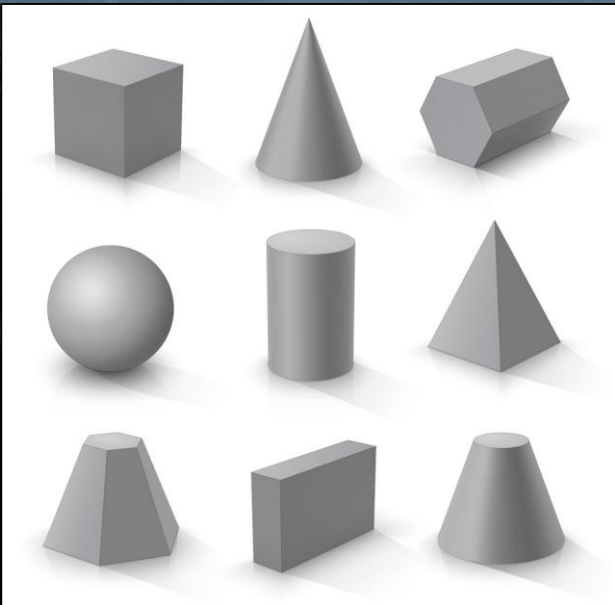

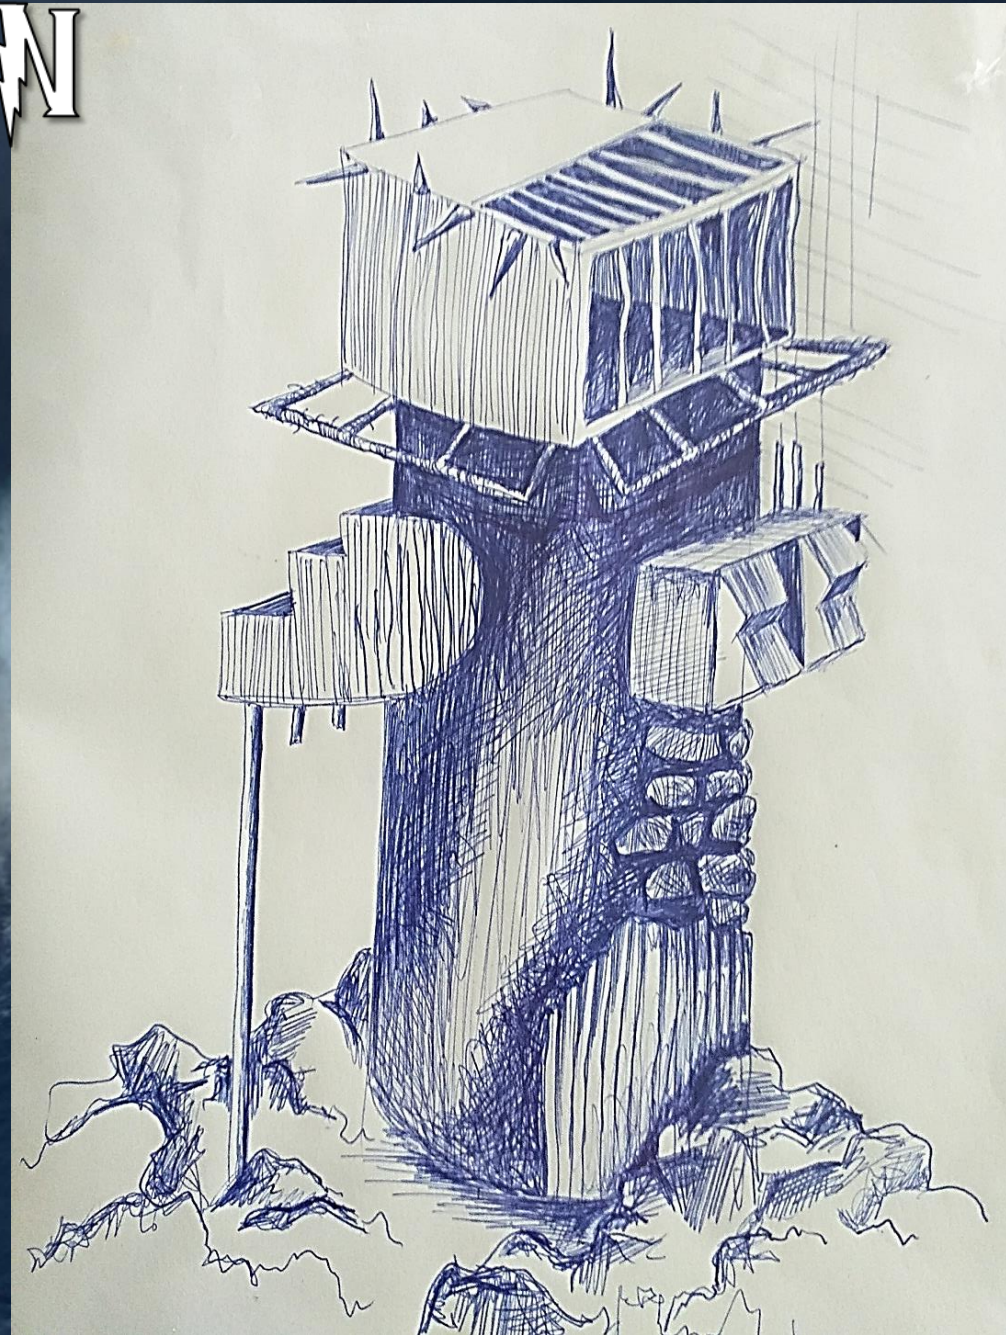

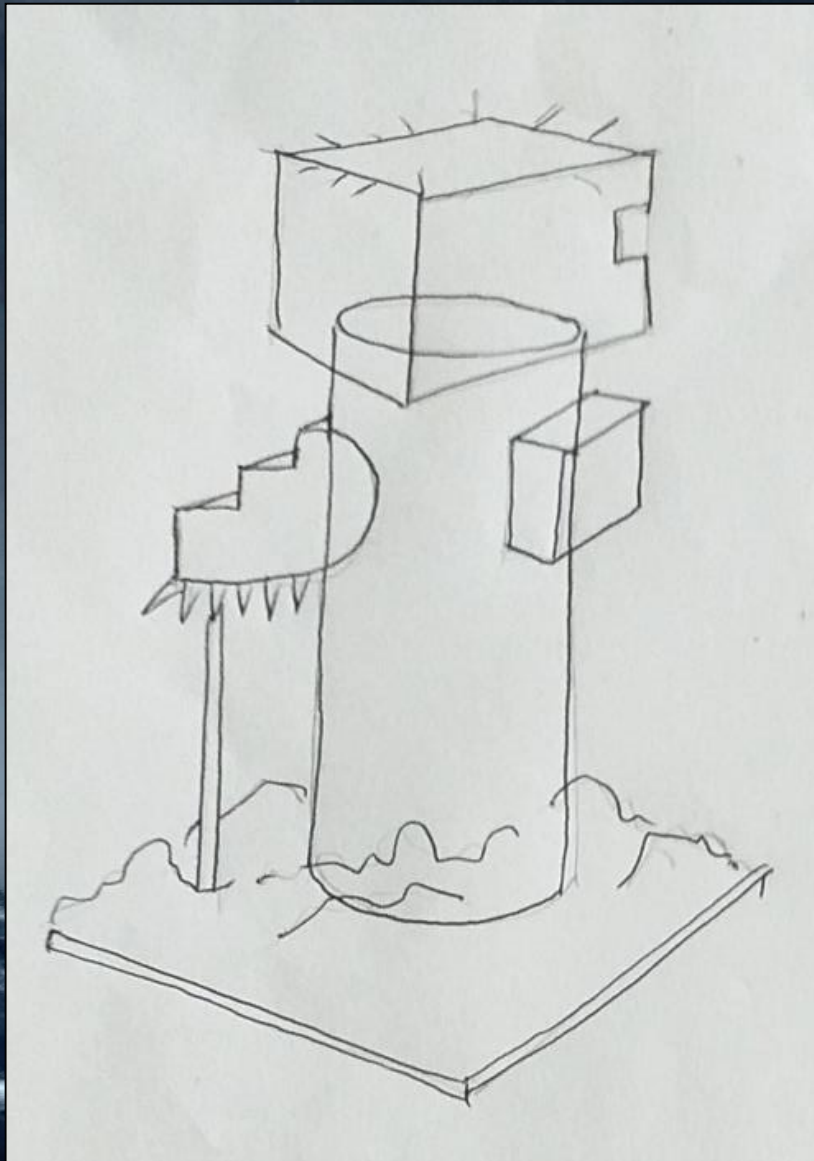

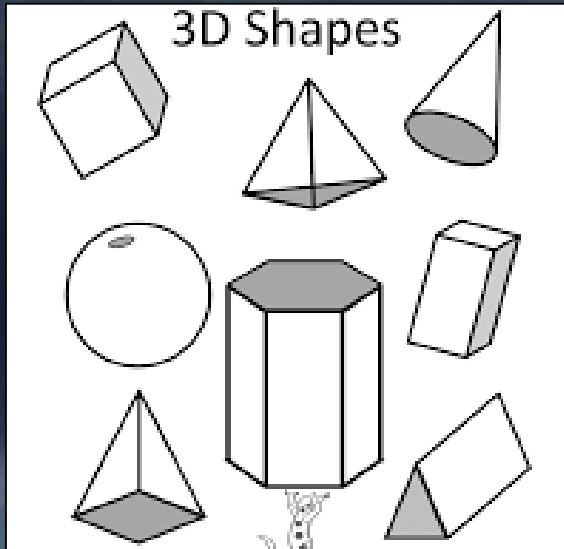

2. Choose a neutral colour and create a wash over your surface.

3. Draw the outline of the image onto your surface with a graphite pencil.

4. Add tone and colour using oil pastel allowing some of the surface to show through.
