

S3 into S4 – Personalisation and Choice

Please complete this form before your interview with a member of the Senior Leadership Team. You should bring this form to your interview. After the meeting, you will take a copy home to be signed by a parent/carers.

All pupils will study:

Maths English Core PE PSE Core RE

You should then select five subjects to study in S4. There are two conditions:

- You cannot select a subject that you did not study during S3
- You cannot select three Science subjects (maximum of two from Biology, Chemistry and Physics)

FIDELIS · JUSTUS · PRUDENS

Please circle the five subjects you wish to take next year.

History	PE	Art and Design	Computing	Graphics
Geography	Biology	French	College Provision	Creative Industries
Modern Studies	Chemistry	Spanish	Practical Woodwork	Travel and Tourism
Music	Physics	Design and Manufacture	Music Technology	RMPS

Career Aspiration:

I have accessed My World of Work with my child to help inform their subject choices:
